List of Non-regular Fees:

Unannounced inspections

GO4AGRI will basically perform about 10% of unannounced inspections on a randomized basis.

GO4AGRI does not charge for unannounced inspections but covers the related operating expenses within the offer prices (for regular inspections).

Additional inspections

If the operator is responsible for a necessary additional inspection due to major deficiencies (e.g. use of illicit means), GO4AGRI will charge additional fees. This fee will be calculated based on the actual costs thereby incurred, like daily rates for the inspector, travel costs, lab costs, etc.

Remark: Such additional inspections can be announced or unannounced. Announced additional inspections should not be mixed with "Unannounced Inspections" on a randomized basis as described above.
